

# Venues and Events

## Venue Criteria

**Meeting the following 2 criteria will likely mean that a venue is in scope:**

They are predominantly used for public use

There is an expectation that 200 or more individuals will be in the premises at the same time.

## Event Criteria

**Meeting the following 4 criteria will likely mean that an event is in scope:**

They are held on open land or in a building or on the land occupied with a building

Are accessible by members of the public

Host at least 800 attendees at the same time

Attendees have express permission to attend (e.g. ticketing, pre-registration)

*Educational venues or places of worship with a 200+ or 800+ event will always fall within the Standard Tier*
